

FFPD Public Work Session – *Florissant First!*

Agenda for June 10, 2026 meeting

The Florissant Fire Protection District (FFPD) Board of Directors (BOD) will hold an open public Work Session on Wednesday June 10 from 6:00-8:00pm. This will be an information sharing forum to discuss progress on the *Florissant First!* initiative for the future of the District. The meeting will be held at the main fire station at 2606 Hwy 24 in Florissant.

The BOD will discuss updates to the options for a ballot measure in the November 2026 general election for an FFPD revenue increase. The board is seeking public input regarding this initiative. Topics to be discussed are as follows:

- Capital needs (fire station, apparatus) for emergency response to ensure the health and safety of the Florissant community
- Revenue requirements to meet those needs today and into the future
- An updated Property Tax Calculator will be available for specific estimates of residential property valuations and associated property taxes
- Scenarios for the potential financial impacts to the real estate taxes for residents and property owners within the Florissant Fire District

The meeting is open to all residents and property owners in the Florissant Fire Protection District. The meeting will be in person only. Light refreshments will be available. We hope to see you there!
